About Foundation Source:

Foundation Source is America's leading provider of support services for private foundations—from set-up and administration to high-level philanthropic advisory services. The company's full suite of back-office, online, and advisory services helps its foundation clients ease the administrative burden, engage board and family members, and deliver greater social impact.

Foundation Source's client base of foundations created and operated by high-net-worth and ultra-high-net-worth individuals and families has grown significantly over the years due to its innovative product offering and strong focus on philanthropy within the market. Today, Foundation Source serves over 1,700 private foundations nationally representing almost \$16.5 billion in assets under administration. The company is headquartered in Fairfield, CT.

Physical Demands and Work Environment

In order to perform successfully the essential functions of this position, an employee must generally be able to do the following: communicate verbally (speak and hear); use hands or fingers; handle or feel objects, tools, or controls; stand; walk; sit; reach with hands and arms; occasionally lift and/or move up to 15 pounds; and write coherently and grammatically in English. The position requires the ability to see objects, print, and/or images at close range and in the distance, and the ability to adjust focus. The noise level in the work environment is usually low to moderate. Foundation Source will provide reasonable accommodations to enable otherwise qualified individuals with disabilities to perform the essential functions of the position.
